

**A QUICK WAY
TO MAKE A STYLE STATEMENT.**

Introducing QuickStairs - readymade steps and risers from Prism.

 **JOHNSON**[®]
MARBLE & QUARTZ
NATURE, REINVENTED

QuickStairs from Johnson Marble & Quartz is designed to combine the strength and aesthetics of marbles with the traditional beauty of every Johnson product. Designed for discerning customers, the material lends itself to being crafted for stairways as it can be easily cut into treads and risers. Being a finished product, QuickStairs reduces laying time, as well as cutting losses compared to natural marble.

KEY ADVANTAGES

Cutting losses are reduced by almost 20% - 25% as compared to natural marble which are usually cut on site.

Being a finished product, QuickStairs reduces laying time which in turn reduces project completion time and saves substantial labour cost.

QuickStairs can be given 1/2" Bevel or Bull Nose edge profile which is done at our state-of-the-art factory giving a far better finish than what is available regularly.

Colour and supply consistency is assured.

Possible to match floor/wall to maintain uniformity in finished space.

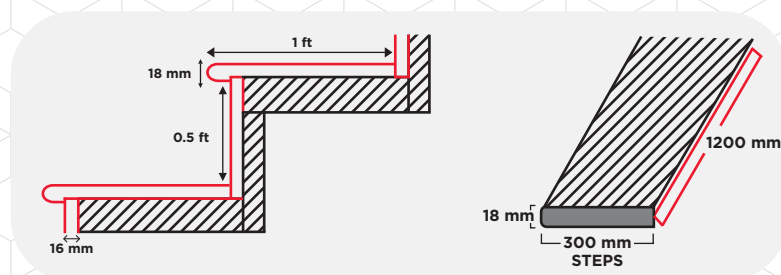

Extremely economical as compared to natural marble but at the same time it provides better stain/abrasion resistance.

SPECIFICATIONS

Stairs Component	Standard Length*	Standard Width*	Standard Thickness*	Anti-slip	Standard Edge*	Surface Finish*
QuickStairs Tread	4 ft	1 ft	18 mm	Grooves	Bullnose (One long side)	Polished
QuickStairs Riser	4 ft	0.5 ft	16 mm	-	Straight	Polished
